Submitted 29/6/99

My dear Sir

I had a talk with Mr. Puttaiah about three men and suggested that those entitled to Rupees should be raised. They are

Kushappa — 33 years 7 months service
Shamiah Nor — 26 years 4 months service
Ram Nor — 29 years 9 months service
Khodma Muthiah Nor 28 years 3 months service
Subramiah — 29 years 11 months service

This may leave men to be provided for — In his proceedings of G.O. No 1531-32 dated 13th April 1899 we have provided for 6 writers (See Circle No 6) Viz

1 Regimental Writer C 42/-
1 Assistant — Do — C 31/=
4 Squadron — Do — —

Ensuing of filling new men & fill the appointments I suggest that the 6 men kept to be provided for should be retained in the Regimental & as the work of the Regimental Writer & this extra pay, they are drawing as present they should as presumed also

Some have been transferred from Regimental to Squadron & vice versa & consequently the pay of some has been reduced & some increased & some remain the same. The present & proposed pay of the men are shown below —

	Present pay	Proposed pay	
Rajarendra Nor	42-	42-	4/6
Mahmed Ayaub	37-	31	6
Venkata Rao	37-	31	6
Madhava Nor	37-	31	4
Shama Nor	15	31	
Kushwa Nor	15	31	

This is a thing that puts, as you can—
Hunt on last page
Respondentia page is not cut and I don't see
any reason why he should refuse if remain
in with the Regiment—but I daresay if his
duties are transferred and his Mrs 3 men elect to
stay on he will pull over that—
The Respondentia & Rum if owned by the
old men & ours—as they [illegible] system
in which the accounts of the Regiment is kept &
owned be of very little help to him—
Kindly let me know if my action under award
Mr Parkinson appears to this above proposal

By the same order the Officers of I.S.R.

Proceedings of Government (Military) No. 1531-32—112, dated 13th April 1899, passing orders regarding the reorganization of the Mysore State Cavalry.

2. Letter dated 6th June 1899, from the Chief Commandant, Mysore State Troops, submitting statements of promotions and nominations proposed by him in the Imperial Service Cavalry.

No. 1912-13—143, DATED BANGALORE, 15TH JUNE 1899.

ORDER THEREON.—Until the sanction of the Government of India is received to the proposal to maintain two Imperial Service Regiments in lieu of the present Imperial and Local Service Regiments, the strength of the existing Imperial Service Cavalry has to be considered to be four squadrons of a total strength of 516, against which there is at present reported to be only 494, or 22 less, as shown in the following table:—

No.	Particulars.	Strength of the Imperial Service Cavalry.	Existing strength.	Vacancies.
1	Officers	24	19	5
2	Regimental Dafadar Major	1	1	...
3	Dafadar Majors	4	4	...
4	Squadron Quarter Master Dafadars ...	4	4	...

8	Lance Dafadars	32	30	2
9	Trumpeters	8	8	...
10	Farriers	16	15	1
11	Sowars	393	383	10
	Total ...	516	494	22

2. Having regard however to the proposals now pending before the Government of India, the combined totals of the present Imperial and Local Service Regiments should not exceed (in view to prevent over promotion and consequent absorption hereafter) the totals of the two proposed Regiments of the Imperial Service. The existing and proposed strength of both the Regiments are —

No.	Particulars	Existing strength			Proposed strength of the two Imperial Service Regiments	Difference

From this it will be seen that when the two Regiments are combined, there will only be 12 vacancies—4 among Officers and 8 among Non-Commissioned Officers—to be filled up to complete the proposed revised reorganization of two Regiments of Imperial Service Cavalry.

3. As it is however necessary in the meantime, to maintain the present Imperial Service Regiment at its full strength of 516 by filling up the 22 vacancies referred to in para 1 above, it is desirable to give most of the promotions to the men now borne on the Imperial Service Regiment, reserving some for the

Orders regarding Officers' pay.—

1. The allowances for Adjutant, Quarter Master and Riding Master will be drawn by the Jemadars holding the appointment.

Officers will, in future, be promoted regimentally as vacancies occur, according to fitness, and will no longer receive increase of grade pay by mere length of service in any grade.

Officers proceeding on leave of absence (other than 10 days' casual leave) will forfeit the allowance (if any) of their regimental appointment, and merely draw the grade pay of their rank.

When the allowances of a regimental appointment become thus available they will be drawn by the officer who officiates in the vacant appointment.

An officer is not permitted to draw the allowances of two regimental appointments.

When therefore an officer officiates in an appointment with higher allowances than his own, he must relinquish the allowances of his permanent appointment to the junior appointed to act in his place.

Absence on leave of a Regimentdar or Resaldar, or a Jemadar who is either Adjutant, Quarter Master or Riding Master, will thus invariably give a temporary increase of pay to a certain number of Junior Officers, the number so benefited will depend on the regimental position of the absentee.

GOOD CONDUCT PAY.

2. In addition to the rates of pay set forth above, Government are pleased to sanction good conduct pay for Non-Commissioned Officers and Sowars on the following terms :—

The following conditions and rules regulate the receipt, forfeiture and restoration of good conduct pay :—

Receipt of Good Conduct Pay.—

(*a*) A necessary condition of the receipt of any rate of good conduct pay is that the Sowar has not, within two years preceding the completion of his qualifying service, been convicted of any offence by a Court Martial, or been twice entered in the Regimental Defaulters' Book as having been awarded any of the following punishments :—

(i) Any award of imprisonment ;
(ii) Confinement to Lines of 15 days or more.

Service under 16 years of age and service until the full donation on account of Chanda has been paid up does not count towards good conduct pay.

(*b*) A Sowar shall not be advanced to a higher rate of good conduct pay unless he shall have been in the uninterrupted receipt of the next lower rate for two years immediately preceding his claim. But a re-enlisted Sowar, allowed to count his previous service, will at once be allowed the rate of good conduct pay to which his total service may entitle him.

Forfeiture of Good Conduct Pay.—

(*a*) On conviction of any disgraceful conduct, a Court Martial may, in addition to any other punishment which it is empowered to award, sentence the offender to forfeit all advantages as to good conduct pay which might otherwise have accrued from the length or nature of his former service, or to forfeit all such advantages absolutely, whether past or future.

(*b*) Good conduct pay shall not necessarily be forfeited on the infliction of a minor punishment, but forfeiture thereof may be awarded as substantive punishment, either by order of the Commanding Officer or by sentence of Court Martial as the case may be.

(*c*) Forfeiture of good conduct pay may be awarded in addition to any other minor punishment.

(*d*) Whenever a person in receipt of good conduct pay is convicted by a Court Martial, his good conduct pay shall cease.

(*e*) Forfeiture of good conduct pay when awarded by a Commanding Officer is restricted to one rate of such pay only for each offence recorded in the Regimental Defaulters' Book.

Restoration of Good Conduct Pay to a Non-Commissioned Officer.—A Non-Commissioned Officer reduced to the ranks, but not sentenced to forfeiture of advantage accruing from former service, will receive the rates of good conduct pay of such service in addition to his pay as Sowar, subject only to reduction of one rupee a month for one year from the date of the offence for which he may have been reduced, or of the execution or the termination of the sentence passed upon him for such offence.

Restoration of Good Conduct Pay to other ranks—

(*a*) A Sowar who has forfeited his good conduct pay either by award of a Court Martial or as a consequence of conviction by a Court Martial or by order of his Commanding Officer, must serve for one year without an entry in the Regimental Defaulters' Book, before he will be eligible for restoration to each rate he may have forfeited.

(*b*) A Sowar who, within twelve months of any previous forfeiture, is again convicted of an offence requiring entry in the Regimental Defaulters' Book, must serve for two years from date of original forfeiture, without another entry, before he can claim restoration of the reward.

(*c*) The period of one or two years' approved good conduct shall count, in the case of a Commanding Officer's award, from date of such award, if it shall not have been accompanied by imprisonment, and otherwise from date of release; and in the case of forfeiture having been awarded by Court Martial, or been consequent on a conviction, from date of sentence when corporal punishment or imprisonment is remitted, and otherwise from date of execution or the termination of the sentence.

With regard to Officers' pensions, Government sanction the period for gratuity being fixed at 5 years' service, and for first pension at 20 years. Pension will be calculated on the pay plus allowance of appointment, during the last three years of tenure of office: the fraction on which calculation for pension is made commencing at 1/3rd and increasing annually up to 32 years' service by 1/72nd, *viz.*—

The object of these rules is to give pensioned officers adequate means to keep up their position, and the graduated scale has been made to enable Government to dispense with the services of any officer who is an incumbrance at any portion of his career, without any real hardship to the offender.

3. This ruling to apply to all officers pensioned since 1st April 1892, when the Imperial Service Regiment was first formed, and when many officers were retired who might otherwise have completed service for enhanced pension, and to have effect from the 1st February 1899.

After a service of more than 5 years and up to 20 years a gratuity of three months' pay (including good conduct pay) for every complete 5 years' service will be given any balance being omitted from calculation.

PENSIONS.

5. Pensions will be granted on the scale noted below and in accordance with the following orders.

Invalid Pension.—After 20 years' service will be given to any whose incapacity for further duty is established by medical certificate Form No. 6.

5th April 1899.

To
Myself

The Military Assistant.

I have gone through the proceedings and find that a few points mentioned below are not clear. I shall feel much obliged if you would clear away doubts —

Para I Establishment

There at present six — Risaldars in the I.S. Regiment. Three of the Squadron Comdrs would get the increased pay and allowance, abright- One the other 3 Risaldars to get Troop Comdrs pay? If this be so, what pay is the senior Jamadar in the Regiment to draw from 1st of February?

See my attached note
(D) R G J.

Para 8 All noncommissioned ranks I suppose it means N Co's & Sowars.

Yes. (D) R G J.

Para 13 Special rates of pension.

How long are these rates to

Men now retained on the formation of the new Corps.

Paras 18

Officers pensions &c

The period for gratuity is fixed at 15 years Service, but it is not clear how far the rates are modified as laid down in A & B of the new rules of pension and gratuity hitherto in force (Copy attached)

I should also like to know which of the Sections in it are retained & which cancelled. The new R[illegible] to Effect [illegible] gratuity [illegible] rules.

The proceedings apparently authorizes the enhanced pay & allowances from 1st February to officers N.C.O's & sowars only for there are some followers (eg) (Regimental workers) who now draw more pay than the scale sanctioned - It is not clear how these are to be disposed of and what pay they are to draw from 1st Febry 1899. According to new scale they have to draw much less than what they can get. The No is also reduced, and what is to be done in the case of supernumeraries? The Regimental accounts have also to be placed on a proper footing and the scheme I submitted to Govt according to Mr. Biddulph's proposal was not sanctioned. This would have settled the question with the disposal of supernumeraries

in regard the writers

The establishment shown is purely regimental and should be filled up from the existing men.

As regards the pay. The New Rules do not oblige the writers to keep a horse which under the old Rules a writer must do.

Any who do not accept the new rates can be put on dismounted pay of their old Rules and their cases reported for orders.

They will then draw something small and can be provided for

Only three Peishcars are of non pensionable service and if there is any trouble about the others they may be pensioned under the usual Rules

A fresh Scheme for your Office should be submitted the pay of such men as you propose to discharge will be a set off against the New establishment.

To this must be added the Assistant Qr masters & Riding masters allowances in the individual cases

I have noted opposite each rank the existing Officers which shows that each individual can get promotion under the New Scale.

You can however transfer under para 21 any you want to fill vacancies &c, and will of course place them Regimentally according to their length of Service, so that you will not perhaps adhere exactly to the order, I have noted overleaf as you may interpolate some local Regiment Officers at your discretion & that is why Government want you to furnish a Nominal Roll

I have answered your other queries opposite your note in red ink for easy reference.

I hope that this is all right.

Yrs Sincerely
sd/ R. G. Jones
